No financial commercial support was received for this educational activity

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

CME Accreditation & Designation Information

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Scimple Education, LLC and Metasin, LLC. The Scimple Education, LLC is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

ACCME
ACCREDITED

Scimple Education, LLC designates this Live / In-person activity for a maximum of 12 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

Objectives - After Attending This Program You Should Be Able To:

- Recall eligibility criteria for ECPR in cardiac arrest patients.
- Discuss troubleshooting potential ECPR equipment issues.
- Apply ECPR selection criteria to determine appropriate candidates.
- Initiate timely ECPR in eligible cardiac arrest patients protocols.
- Consider the differences in the delivery of care with respect to specific patient populations such as the morbidly obese, the elderly, and patients with significant comorbidities.

Disclosure of Financial Relationships

In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, Simple Education LLC has implemented mechanisms prior to the planning and implementation of this CME activity to identify and mitigate all relevant financial relationships for all individuals in a position to control and influence the content of this CME activity (if necessary).

The following table of disclosure information is provided to learners and contains the financial relationships of each individual that is in a position to control and influence the content of this CME activity. All of these relationships have been mitigated.

All individuals in a position to control the content of CE are listed below.
